Superior Sustainability

- [ ] Bottled at the source from a pristine **Lake Superior Aquifer.**

- [ ] Our source is underground and naturally protected. We use **minimally invasive techniques** to retrieve the water.

- [ ] We responsibly support and **protect the aquifer.**

- [ ] We are **SQF Certified** for good manufacturing practices.

- [ ] We are **NSF Certified** for our process.

- [ ] We support the **Ottawa National Forest** where our aquifer is located.

- [ ] All of our materials are **100% recyclable.**

- [ ] Our bottles are **PET #1 plastic**, which is the best for recycling.

- [ ] Our bottles are **BPA free.**

- [ ] We partner with other **sustainability-focused organizations.**
